The Narthex

The Narthex is located just beyond the doors of our main entrance. It is an inviting space of gathering and transition. When we enter the Narthex, we begin a journey that blends the outside world, our homes and work, with our spiritual world of prayer, ritual, and celebration. Fellow parishioners joyfully greet us as we enter. Here, we can sit and converse with our neighbors. Here, we will greet our family and friends who have come for a special baptism. Here, we can greet our guest after we have taken the vows of marriage. Here, we may find ourselves being comforted after a loved one's death. Here is where all are welcomed as children of God. It is in this space that we are drawn into a journey that will help us grow as we develop our relationship with God and with each other. Joyfully, let us come!
