The Reconciliation Room

You will find the Reconciliation Room as you enter the Worship Space and turn left. The first door you come to on your left opens into the Reconciliation Room. It is in this room that the Rite of Penance is carried out. In this prayerful, quiet place, we seek refuge. Here is where we ask for forgiveness and healing through the Sacrament of Reconciliation. The room is designed so that we may receive this sacrament in a more informal setting, face-to-face with a priest, or in a more traditional, anonymous way, with a screen between ourselves and the priest.

The beautiful wooden screen in our Reconciliation Room was designed and created by one of our own parishioners, Mark Hagen. Mark's craftsmanship has been evident at Holy Spirit for many years. He also designed and built the presider's chair and holy water stands that were used at Kendall Elementary before our new house for the church was built.
